

Nursery Philosophy

In the Nursery, we believe:

- * It is our responsibility to provide our children with positive learning experiences
- * A good report needs to be made with all our families
- * We need to provide an environment where the children feel safe to explore, learn and discover
- * Good relationships with each of the children in our care is paramount
- * Early childhood is a time for fun, discovery, imagination and play. Therefore learning is most beneficial through play experiences and the children's' interests
- * Our room needs to be kept organised and clean
- * Our staff need to ensure there is consistent and effective communication between staff as well as with families
- * All hygiene and safety requirements need to be met to ensure that healthy and safety of all children.
